Silence during Adoration and before Mass

Please respect silence during Adoration and before Mass. These are precious times for people to pray and prepare themselves spiritually. Quiet conversations may take place in the church porch. Be confident to gently remind others of the need for silence, and if you are the one being reminded (and this includes clergy!), take it with grace and humility.

HAVE YOU TURNED YOUR MOBILE OFF!

At the heart of this story, we are told that Jesus took the loaves, gave thanks and distributed them. In our day this reminds us of the eucharist, the bread of life, with which Jesus feeds us. Can you recall an experience of Eucharist that was especially significant for you? What was it that made it different? How did it influence your understanding of the Eucharist?

Take, give thanks, distribute. The actions of Jesus also suggest an attitude to time, gifts and living. We take what we are given, give thanks and use what we have. Have you found that having a grateful heart for what you have been given has made it easier for you to share with others?

From what seemed meagre and inadequate resources many were fed. When have you found that when you gratefully use what little resources you have the results are beyond your expectations?

Jesus chose to involve those around him in feeding the people. Have there been times when you have experienced benefits from calling on those around you to use their gifts to help with a task?

Please remember them in your prayers
